

Nikki Addison

Nikki first started climbing 5 years ago at Inverness climbing wall, it soon progressed to doing the local rounds of the BRYCS where she was doing really well managing to get through to the final in Liverpool on her first year climbing where she took 2nd place.

The following year saw Nikki take first place in the final at Ratho, every year since she has finished in the top 3 at the finals.

After taking part in the British Team Trials in 2009 Nikki was selected into the newly formed C category and was allowed to train along with the rest of the British team.

Nikki also climbs outdoors, sports climbing being her favourite but will happily climb trad routes and boulder as well.

Nikki has also competed in the Mixed Masters series of Dry Tooling Competitions where she was 2nd two years in a row.
