

Robert Mackenzie

Highland based youth climber aged 19, has been climbing for fifteen years both inside and out. His passion and experience for all styles of climbing is vast and he has climbed most of Scotland's finest climbing crags. With his father and brother, Robert has climbed many trad first ascents in the west highlands up to E7 7a

Foreign expeditions include euro cragging many times and he has on sighted F8A. He has climbed multi pitch sport routes in the Todra Gorge, Morocco up to F7C+

Robert is very keen to climb around the world and his enthusiasm, ambitions and goals far outweigh his Student wallet.

Robert has been a GB Team member for six years.

**British champion
Scottish champion
Scottish Bouldering champion
Skymaster**

Recent competition results:

**1st place -- British team trials (junior) 2009
1st place -- Skymasters 2010**

**This is Roberts last year with the junior climbing team.
He has competed internationally for Team GB on nearly 20 Occasions in 7 Countries, on 3 continents.**

"It's been a great honor to be able to represent your country. Being given this opportunity has been an amazing experience and I am immensely thankful to the team managers for allowing me this chance.

"Thank you" to all my fellow team members for being such fun to compete and travel with. Now I intend applying for a coach's position,

Id love to be able, to give something back to the team and continue to encourage youth participation in this fantastic sport.
